

Next Generation of Ohio Medicaid

Choose your Next Generation managed care plan now!

Focus on the
INDIVIDUAL
rather than the
business of
managed care

We want to do better for the people we serve

Starting December 2022, Ohio Medicaid's Next Generation managed care plans will provide a more personalized approach to support your healthcare needs!

All eligible Ohio Medicaid members have the option to choose their Next Generation managed care plan now through November 30, 2022, by:
